

First Aid

HLTAID003 Provide First Aid

OVERVIEW

This course will give you the skills and knowledge required to provide First Aid response and life support. You will learn to manage casualties, the incident and other first aiders in a range of situations. You can apply your knowledge in the home, workplace or within the community.

YOU WILL LEARN

- The DRSABCD action plan and responding to emergency situations
- Managing unconscious casualties
- Cardiopulmonary resuscitation (CPR)
- Using a defibrillator (AED)
- Legal issues in First Aid
- Infection control
- Diabetes
- Heart attack
- Asthma
- Anaphylaxis
- Wound and bleeding management
- Burns
- Fractures and dislocations
- Sprains and strains

PERFECT FOR

This course is suited to those in workplaces or volunteer organisations who may need to provide first aid to staff or participants, or anyone wanting to be prepared for injuries or emergencies in the home or community.
